

PACSETER

Maximum Performance Minimum Investment

- 18' x 90" Rack Platform (5.49m x 2.28m)
- Fixed working height of 14" from the floor to the rack platform
- (2) 10-Ton rack mounted pull towers provide true 360° pulling
- Telescoping tower heads have an 8" range
- Standard unibody clamps provide rock-solid vehicle anchoring
- Channeled treadways allow for unlimited tie-down options
- Removable on/off ramps
- Fast and easy set-up
- Customizing available

Performance Feature Option

COLLAPSIBLE UNIBODY CLAMPS (Set of 4)
Unique in the industry, these time saving clamps fold down flat during vehicle loading and can be positioned anywhere on the treadway for solid anchoring.

Standard Components

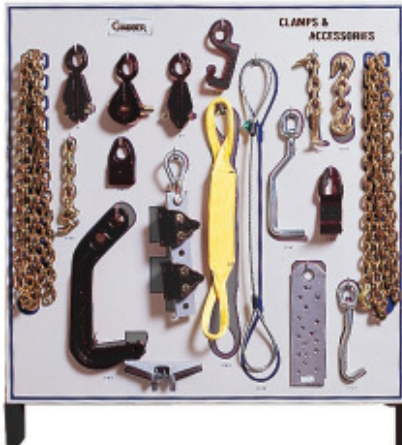

- (2) PaceSetter 10-Ton Pull Towers w/Ram
- (1 per tower) Air/Hyd. Pump w/Hose & Gauge
- (1 per tower) 3/8" x 14' HD Chain w/Slip Hook
- (1 per tower) Safety Cable w/Hook
- (1 per tower) Pump Tray
- Standard Unibody Clamps (Set of 4)
- PaceSetter Long Rack Ramps (Set of 2)

Part Number: 1067-18-2 SPL

System Specifications

- Platform Length 18' L x 90" W
- Lifting Capacity 10,000 lb.
- Working Height 14" (355.60 mm)
- Treadway Width 24" (609.60 mm)
- Center Opening 32" (812.80 mm)
- Width with Towers on Each Side 11' 8" (3556 mm)
- Length with Towers on Each End 23' (7010.40 mm)
- Length with Ramps 24' (7315.20 mm)
- Tower Height (Top of Platform) 75" (1905 mm)
- Max. Pull Height from Platform 65" (1651 mm)
- Hydraulics 10-Ton
- Weight 3,000 lbs.

Optional System Accessories

- 44 PRO Accessory Group #1675**
- 1580 (2) 3/8" x 10' HD Chain w/Grab Hook
 - 1605 (1) GM R-Hook w/ 3/8" x 6" Chain (6306)
 - 1609 (1) Ford T-Hook w/ 3/8" x 6" Chain (6311)
 - 1730 (1) Model B Metal Clamp (0100)
 - 1740 (1) Model C Metal Clamp (0200)
 - 1760 (1) Model Junior Metal Clamp (0300)
 - 1795 (1) Frame Rack Unibody Clamp (4010)
 - 1811 (1) Regular Deep Hook Set (6400)
 - 1820 (1) Tac-N-Pull Clamp (0800)
 - 1834 (1) Cable Sling (6350)
 - 1835 (1) Nylon Sling (6300)
 - 1853 (1) Panel Puller (1250)
 - 1932 (1) Sill Hook (1300)
 - 2002 (1) Many-Hole Wide Draw Bar (4048)
 - Sheetmetal Hooks
 - 2005 (1) SM. Roundnose (3120)
 - 2006 (1) LG. Roundnose (3140)
 - 5090 (1) Tool Board with Hooks

- Universal Truck Holding System #6067-2B**
- Provides rock solid anchoring while eliminating the sway and movement of chain type anchoring. Includes four heavy-duty base stands with height adjustable, multi-angle clamp fixtures for both Box and "C" channel type frames. (Set of 4)

3 Bag Air Jack #5004
Jack w/Oak Block #5006

Roof & Engine Pull #2061

Down Pull Assembly #4069
For channeled treadway racks
